

For Growing Children

there is no better food than

Grape-Nuts

with cream or good milk.

Many diseases of childhood and youth are due to faulty diet—a diet that restricts the amount of needed mineral salts, the lack of which, as your family physician can tell you, often leads to rickets and other diseases of mal-nutrition.

Grape-Nuts, made of whole wheat and malted barley is rich in these vital mineral elements so necessary to health.

This food tastes good, is easily digested, and many letters from parents, after trial, testify

CHIEF ENGINEER HAS GAINED 64 POUNDS

Almost Lost Hope of Getting Well. After Taking Tanlac Feels Better Than He Has in 25 Years.

"Tanalac, to my mind, is the greatest and grandest medicine in the world," said O. H. Mahaffey, chief engineer of the Life and Casualty building, Nashville, Tenn.

"I have taken eight bottles," he continued, "and have actually gained forty pounds in weight, and feel stronger and better than I have in twenty-five years."

"For two years I have suffered with the worst kind of stomach trouble and indigestion, and fell off in weight from 210 pounds to 162. I am now back at 202, which is almost as much as I weighed before I was taken sick. About six weeks ago I got awful bad off, and called on the doctor, and he told me I had an ulcer of the stomach, and if I was not careful it might turn into cancer. He gave me some medicine. It didn't seem to get any better, and was afraid to eat anything

except a little oatmeal and sweet milk, but in spite of everything I could do, I just kept going down hill, and got weaker and weaker every day. I got so disheartened one day I told my employer it looked like I would have to throw up my job. I was trying to hold on though as long as I could, for I had a family to support, and I made up my mind that just as long as I could drag myself around I would stick it out.

"One day my wife told me what she had read in the papers, and what the neighbors were saying about Tanlac, and begged me to try it. She had read about a man who had taken it, who described my case exactly, and he was getting lots better, but I had tried all kinds of medicines, so I didn't have much hope of it doing me much good. Besides, my doctor had already told me I would have to be operated on in order to get relief. Something just told me, though, it might help me, and I decided to try it.

"After I had taken it a day or two I got so hungry I just simply had to eat, and I did eat, and you can believe me or not, nothing seemed to hurt me a particle. My wife said to me, 'Tanalac must be helping you,' and I said, 'I guess it is from the way I am eating.' It wasn't long before those awful

pains in my stomach and the small of my back began to leave. Then I noticed I began to sleep better, and I would get up in the mornings full of life and ready to work. The medicine seemed to take hold quicker than anything I ever saw, and braced me right up. I am telling all my friends about Tanlac, and hope everybody will hear about it."

Tanalac is sold in Bryan by Read & Stewart.

What to do when Backache comes on

"I found immediate relief in the use of Foley Kidney Pills, have recommended them, and do not know of a single instance when they failed to give relief."

C. U. Landrum, a traveling salesman, writes from San Angelo, Texas: "Drying over rough roads and in all kinds of weather gave me acute pains in the back and I suffered greatly. I found relief in the use of Foley Kidney Pills, and before the first bottle was used, the pain in my back had entirely disappeared and I have had no recurrence of those pains which frequently amounted to almost unbearable proportions."

"When backache comes on, and it seems as if you can't stand the pain and pressure in your back, you will find quick and reliable relief comes with the use of Foley Kidney Pills. They stop the cause of the pain, ease the stiff aching joints and muscles, and clear the poisons out of your system by helping your kidneys and bladder to normal healthy action."

WHEN "BILL" FINDS A FASHION MAGAZINE TROUBLE COMMENCES.

Enid Markey, who has appeared in many of the most notable productions put out under the Triangle-Kay Bee brand, has a role of a sort entirely new to her in the new western drama, "Jim Grimsby's Boy," in which she is co-starred with Frank Keenan.

Jim Grimsby is a gold miner whose great desire is for a son. He marries only with that expectation. Great is his wrath when fate gives him a daughter. The mother dying, Jim tries to correct nature's blunder by naming his offspring "Bill," and raising her as a boy. But Bill can't be fooled by the mere fact that she wears trousers and totes a gun, into believing that things are as they should be. When she finds a tattered fashion magazine one day trouble begins, and when a handsome young sheriff takes her eye shortly afterward, it becomes certain that Jim Grimsby is going to lose his son.

There is considerable excitement and a little shooting before Bill gets her sheriff and her fall gowns, but father finally takes his medicine with good grace. Robert McKim appears as the sheriff. This big feature will be shown at the Dixie Theater tomorrow afternoon and night, with a clever Keystone comedy.

The program at the Dixie for tonight consists of "The Irony of Justice," a two-act dramatic incident of the great social problem of "Who's Guilty?" featuring Tom Moore and Ann Nisson. Also a clever cartoon comedy, and the fourteenth chapter of the famous sensational serial story, "The Shielding Shadow," in which pretty Grace Darmond is featured.

EVER SALVATED BY CALOMEL? HORRIBLE!

Calomel is Quicksilver and Acts Like Dynamite on Your Liver.

Calomel loses you a day! You know what calomel is. It's mercury; quicksilver. Calomel is dangerous. It crashes into your bile like dynamite, cramping and sickening you. Calomel attacks the bones and should never be put into your system.

When you feel bilious, sluggish, constipated and all knocked out and believe you need a dose of dangerous calomel just remember that your druggist sells for 50c a large bottle of Doan's Liver Tonic, which is entirely vegetable and pleasant to take and is a perfect substitute for calomel. It is guaranteed to start your liver without stirring you up inside, and cannot salivate.

Don't take calomel! It makes you sick the next day; it loses you a day's work. Doan's Liver Tonic straightens you right up and you feel great. Give it to the children because it is perfectly harmless and doesn't eripe.

"I get tired of hearing about the 'good old times,'" said the cheery modernist. "What's the use of assuming that people aren't in reality as well off as they ever were?" "Well," replied the man who talks about the palmy days, "maybe you're right. But you must admit that we used to get a whole lot more peanuts for a nickel than we do now."—Washington Star.

ALL WRONG

The Mistake is Made by Many Bryan Citizens.

Look for the cause of backache. To be cured you must know the cause.

If it's weak kidneys you must set the kidneys working right.

A Bryan resident tells you how.

W. G. Reynolds, Ursaline ave., Bryan, says: "I suffered for months from pains through the small of my back. I could hardly bend to do any stooping or lifting. Doan's Kidney Pills, procured at James' Drug Store, soon cured me of all signs of kidney complaint."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that cured Mr. Reynolds. Foster-Milburn Co., Props., Buffalo, N. Y.
